

THBC Minutes 10/29/24

Meeting called to order at 9:11 am.

Review and acceptance of adjusted 10/23/24 minutes.

Becky shared information from the Town of Kingston: grants ended for combining senior center with town building and no continuing compensation for having a joint town hall/senior center. In addition, she is waiting to hear from Columbia County regarding any information for the support of a senior center and will research senior programming at the state level.

The committee began a discussion of additional and/or future means of financial support for the Town of Springvale (i.e. new building, programs, playground, media equipment, etc.).

- setting up a 501c3 in order for the town to accept tax deductible charitable donations
- Ellen will contact the Didion Foundation regarding grant information
- Ellen will contact Columbia Wind to determine if they have money to support public building projects
- Becky will check with Adams Columbia for any financial support programming
- DOA: any funding for non-state projects?
- Alliant Energy Foundation?

The meeting adjourned at 10:40 am.
